

BERENICE JUAREZ

Berenice joined Gilbert LLP as an associate in September 2007. Her practice includes litigation, transactional and ADR elements. She represents clients on matters related to insurance coverage, bankruptcy reorganization and food contamination.

Examples of recent matters include:

- Advising a Fortune 100 pharmaceutical company with respect to insurance claims for various pharmaceutical and asbestos-containing products
- Representing an international law firm in insurance coverage disputes relating to lawsuits and investigations involving allegations of malpractice and fraud
- Representing a major food company in connection with claims and losses arising out of alleged contamination of its products
- Representing consumers in class actions against title insurance companies alleging a broad-based pattern of overcharges for title insurance
