Representative matters at Gilbert LLP include:

- Representing Alpha Mining Systems, a Florida-based tire distributor, and its President in *In re Outsidewall Tire Litigation*, 09-cv-1217, where a \$26 million verdict was obtained in Alpha's favor. The lawsuit was filed in the Eastern District of Virginia against a tire distributor from Dubai and a tire manufacturer from China for stealing Alpha's intellectual property, including blueprints, related to specialized underground mining tires that were designed and developed by the plaintiff. The jury found that the defendants were liable for copyright and trademark infringement, conversion and civil conspiracy. The \$26 million verdict is one of the largest individual copyright infringement awards in U.S. history, and one of the largest verdicts of any type in Virginia over the past several years.
- Representing a group of doctors and other professionals in a class-action lawsuit against a life insurance company for breaching the terms of the plaintiffs' so-called vanishing premium life insurance policies.
- Representing a major auto parts supplier in litigation over insurance coverage for asbestos-related claims.

Kathleen also has considerable experience working with federal judges. She has served as a staff attorney for the U.S. Court of Appeals for the D.C. Circuit, a law clerk to the Honorable William C. Canby on the U.S. Court of Appeals for the Ninth Circuit, and a law clerk to the Honorable Neil V. Wake on the U.S. District Court for the District of Arizona.
