25 YEARS OF SERVICE

Mr. Gary Thompson  
Gilbert, Heintz & Randolph  
1100 New York Avenue, NW  
Suite 700  
Washington, DC 20005

Dear Mr. Thompson,

As you know it is time for our annual Open House. This year our theme is "Renewing Women who Conquer Obstacles". As we do each year, we like to honor our most dedicated supporters. This year, we are excited to announce that Gilbert, Heintz & Randolph will be receiving our Community Enrichment Award.

This award is presented to a local corporation that enriches our environment. Through in-kind donations, pro-bono work, financial support, and volunteerism, our space is receiving a much needed facelift. And in part, this extraordinary work has lifted the spirits of the women who share this space with us.

We hope that you will be able to join us at this year's Open House on May 4, 2005 from 6:00-8:00 pm. There will be plenty of food, entertainment, and fun to go around! If you are unable to attend we ask that you send a representative to share the evening with us and to accept our token of thanks and appreciation on your behalf. Please RSVP no later than **April 13, 2005**.

Congratulations and we look forward to seeing you on May 4<sup>th</sup>!

Sincerely,

Dawn E. Swan, M.S.W.  
Executive Director
